ASSIGNMENT#1

(WEB TECHNOLOGIES)

Submitted to: Usman Akram

Submitted by:
Bilal Siddiqui (FA24-BCS-065)

Submission Date: 13-09-2026

Section: BCS (B)

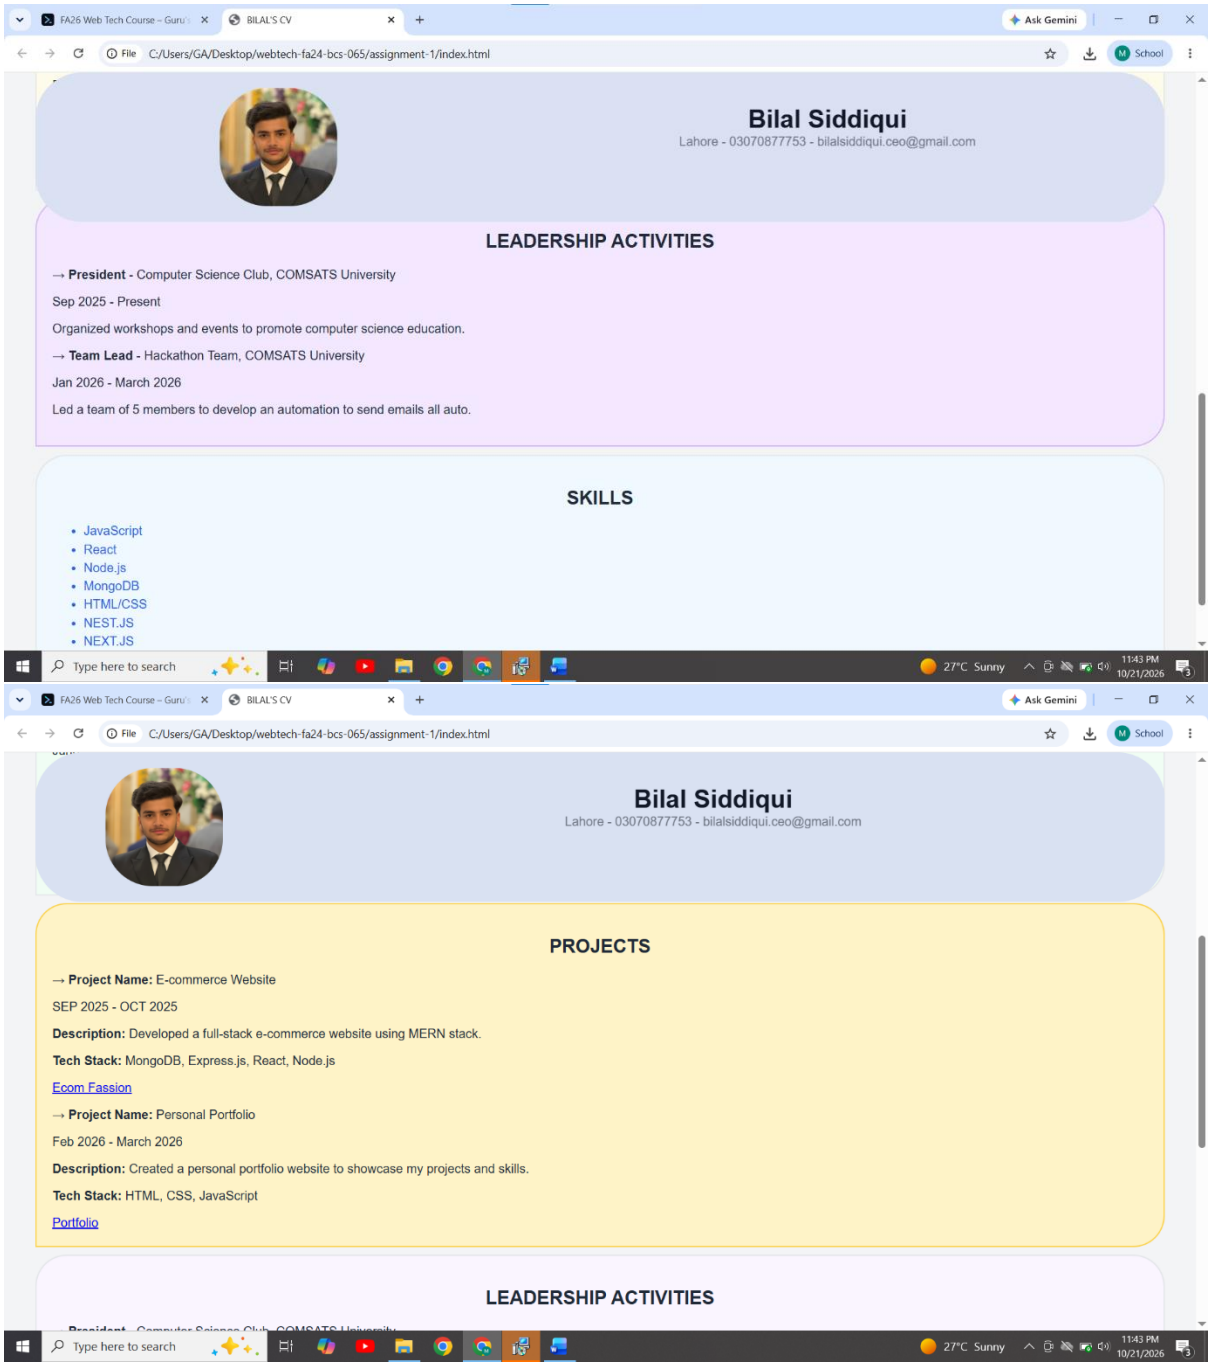

TEXT DESCRIPTION:

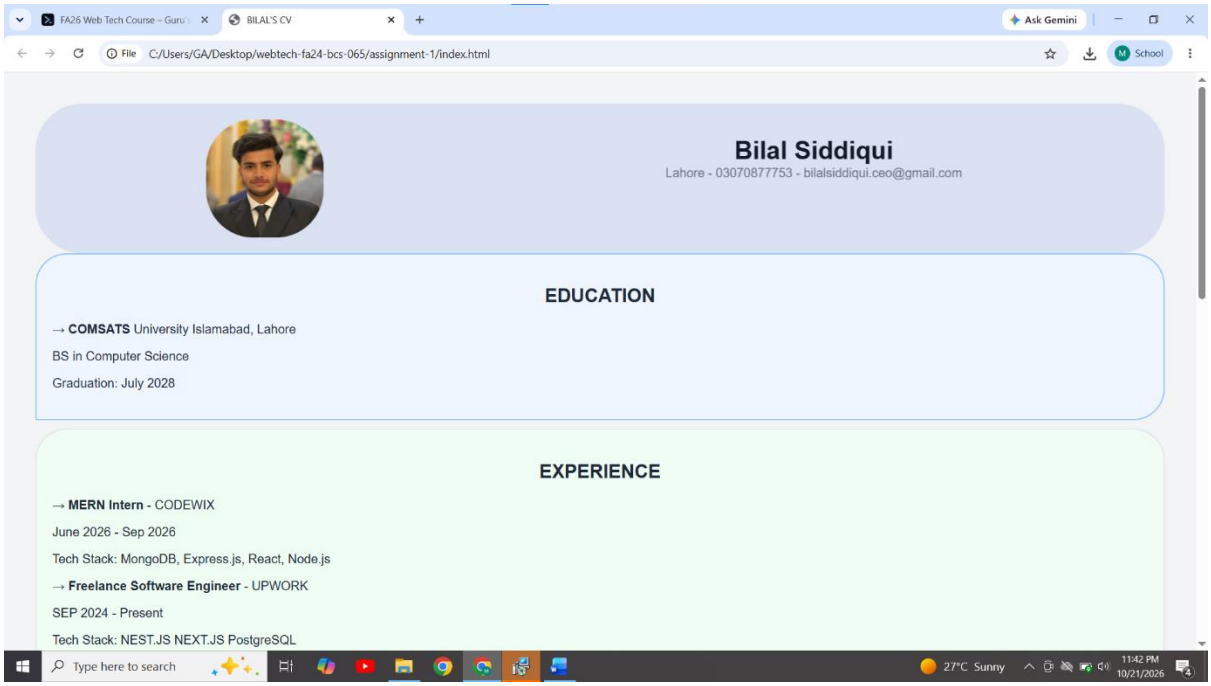

Build a single-page personal CV/résumé as a static HTML + CSS website — no JavaScript, no framework, just semantic HTML5 and hand-written CSS. This is where you prove you actually know the raw building blocks before anything is allowed to hide them from you.

Your page must include, at minimum:

- A header with your name, a short professional tagline, and a photo (a placeholder image is fine).
- An “About Me” section.
- An “Education” section listing your academic history in a semantic list or table.
- A “Skills” section.
- A “Contact” section with a real <a href="mailto:..."> link and at least one social/portfolio link.
- Correct use of semantic HTML5 elements throughout — <header>, <nav>, <main>, <section>, <article>, <footer> as appropriate, not a page built entirely out of unstyled s.
- Styling entirely in a separate styles.css file (external stylesheet, not inline style="" attributes) using the box model correctly — sensible margins, padding, and borders, not everything jammed against everything else.

OUTPUT SCRENSHOTS:

FA26 Web Tech Course – Guru
BILAL'S CV
Ask Gemini
File C:/Users/GA/Desktop/webtech-fa24-bcs-065/assignment-1/index.html
School
Bilal Siddiqui
Lahore - 03070877753 - bilalsiddiqui.ceo@gmail.com
LEADERSHIP ACTIVITIES
→ President - Computer Science Club, COMSATS University
Sep 2025 - Present
Organized workshops and events to promote computer science education.
→ Team Lead - Hackathon Team, COMSATS University
Jan 2026 - March 2026
Led a team of 5 members to develop an automation to send emails all auto.
SKILLS
JavaScript
React
Node.js
MongoDB
HTML/CSS
NEST.JS
NEXT.JS
